Dear Davin and Team,

Thank you so much for the wonderful job you did for my client. Even though the client is a non-profit organisation with low budget and was difficult to deal with, you were very professional in handling the situation and gave them what they asked for.

When asked to change the plaque due to no fault of yours, you took initiative to go down to the site and rectified the problem quickly. My client was satisfied with the end result.

We are very impressed by the level of professionalism that you upheld.

Yours sincerely,
